Monogram 30" All Gas Professional Range with 4 Burners

Stainless Steel Dimensions

Width: 29 7/8 in
Height: 35 1/4 in
Depth: 28 1/2 in

Features:

- Versatile Gas Burner Configuration : Delivering exceptional cooking flexibility, the 21,000-BTU multi-ring brass burner and dual-stack burners offer a range of heat settings, from gentle simmer to intense flame
- 3-Piece Grates with Reversible Wok Feature : Reversible grates are easy to clean and complement different culinary techniques, with a flat side for traditional cooking and contoured side that perfectly holds round-bottom woks
- WiFi Monitoring and Remote Control with the SmartHQ™ app : Perfect for a busy lifestyle, built-in WiFi capabilities allow for the remote activation of cooking functions, like preheating the oven, setting timers, activating Chef Connect and more
- Dynamic Oven LCD : Functional and stylish, the LCD shows which oven mode is currently in use and other helpful information, like oven temperature, timer and probe temp
- Solid Brass Burners : Monogram burners are constructed of 100% brass, embracing the natural thermal properties of this premium quality material. As they are exposed to heat, a natural patina will build up to protect the burners from corrosion and ensure that your brass burners will withstand even the highest temperatures
- Chef Connect : Stay completely connected with Chef Connect, the smart and convenient feature that can effortlessly synchronize a range of kitchen items such as surface lights and even the vent when the burners are on
- Industry Exclusive—Custom Color LED Accent Lighting : For an elevated level of luxury, use the SmartHQ™ app to customize the accent lighting color and brightness to perfectly match kitchen décor or dining ambiance
- Ring-Lit Knobs : Delivering a modern approach to customization, the SmartHQ™ app allows for the range knobs to be set in any color you choose, indicating when a burner is on and showing the status of the oven
- Solid Brass Blades on Precision Machined Knobs : With an unmatched attention to detail, all knobs on the new Monogram Pro ranges and range tops come with solid brass accents
- Seamless Stainless Top Frame : Meticulously crafted from one piece of stainless steel that covers the cooktop and control panel, this seamless and stylish surface is easy to clean and beautiful to look at
- Soft-Close Hinges : Specially designed, soft-close hinges ensure that the oven door always closes smoothly and quietly for a new level of kitchen refinement
- 2 Oven Racks (Full-Extension), 1 Low Profile : Oven racks glide smoothly in and out on stainless steel ball bearings for easy access
- Precision Oven Modes with SmartHQ™ app : Simplify the cooking

Monogram 24" Statement Fully Integrated Dishwasher

Stainless Steel Dimensions

Width: 23 3/4 in
Height: 34 in
Depth: 24 in

Features:

- The Monogram Statement Collection : Polished stainless steel, and hand-finished edges convey a sense of solidity and beauty
- Advanced wash system : Designed to achieve the ultimate clean, this advanced wash system with over 90 powerful jets delivers complete washing coverage to every corner of the dishwasher
- Third rack : Convenient and adjustable, this expansive third rack easily accommodates an entire flatware collection, plus carving knives, soup ladles and other cooking/serving tools for the ultimate clean
- Steam + Sanitization : Eliminate the need to pre-wash dishes at the end of every meal, thanks to a Steam + Sani feature that easily loosens lingering traces of food with an added bonus of complete sanitization
- 42 dBA with LED status indicator on door : A dishwasher this quiet has a status indicator to tell you if the dishwasher is Washing, Drying or Clean
- Hard food disposer : Designed to maintain a kitchen's cleanliness and efficiency, the hard food disposer with stainless steel blades grinds food into tiny particles that wash away with ease
- Max Dry system : This precise and efficient drying system delivers beautifully dry dishes every time and is perfect for hard-to-dry items like your favorite champagne flutes
- Bottle jets : Hard-to-reach areas inside tall items get completely clean with four dedicated jets integrated into the upper rack that shower water deep inside for the ultimate clean
- LED lighting : Illuminates the entire interior, leaving no question as to whether or not dishes have been cleaned
- Deep clean silverware jets : Powerful jets blast away stuck-on food for silverware that's always spotless
- Flush installation capability : Enables the dishwasher to be installed flush, even with inset cabinetry, without any additional parts

30-Inch Wall Mount Chimney Hood w/ Smartsense and Voice Control, 650 Max Blowers CFM (WCP1 SERIES)

This elegant high-profile pyramidal hood with powerful ventilation can meet the challenges of any home chef while featuring a traditional appearance that fits into practically any kitchen.

Stainless Steel
Dimensions

Width: 29.88 in

Height: 29.75 in

Depth: 22 in

Features:

- Powered by an internal blower system with 650 Max Blower CFM
- Very quiet at less than 1 sone at normal setting
- Voice activation provides hands-free operation of your range hood; control power, fan speed, and lights using only your voice
- SmartSense® uses infrared sensors to monitor the heat coming from your range and then automatically adjusts your hood's fan speed to eliminate heat, CO2, and other cooking effluents
- The capacitive touch slider offers precise control from beneath your range hood, allowing the hood's elegant lines to inspire
- Heat-resistant rectangular LED modules (2) provide excellent task lighting
- Dishwasher-safe hybrid baffle filters (2) effectively capture grease
- Code Ready Technology (CRT) provides the ability to reduce airflow to 300 or 400 CFM to address local codes or make-up air requirements
- Easy, single-person installation
- Multiple ducting sizes (6", 8") and exhausts (vertical, horizontal and recirculating) help meet customer needs for new construction and remodeling; recirculation kit sold separately

4.5 Cu. Ft. Front Load Washer with Quick Wash Cycle

Finish laundry fast with a large capacity front load washer that cleans over three baskets in one load.* Save on utility bills with this ENERGY STAR® Certified front load washer that meets ADA standards for accessible design.** Create customized cycles with Intuitive Controls and keep clean clothes fresh until drying in this large capacity washing machine with the Tumble Fresh Option.

White
Dimensions
Width: 27 in
Height: 38.625 in
Depth: 31.5625 in

Features:

- Quick Wash Cycle: Wash & dry in under 1 hr when pairing the 25 minute quick wash cycle with a 30 minute timed dry* Experience the ultimate time-saving duo for hassle-free laundry days.
- Quick Wash Cycle: Regular-sized loads will be clean in as little as 25 minutes with the Quick Wash Cycle.* **Based on a 10-lb load, Regular/Quick Cycle.
- Cold Wash Cycle: Give your most vibrant colors the care they need with the Cold Wash Cycle that adjusts wash actions and time, combined with gentle temperatures, to provide optimal fabric care.
- Cold Wash Cycle: Protect fabrics and save up to 90% of energy by switching to cold water*. The Cold Wash cycle combines gentle temperatures with adjusted wash actions and time to help you save energy and protect fabrics.
- TumbleFresh™ Option: Keep clothes fresh without having to immediately transfer them to the dryer. The TumbleFresh™ option activates after the wash cycle is finished and tumbles clean clothes periodically for up to 6 hours to help prevent wrinkles from setting in.
- TumbleFresh™ Option: Keep clothes fresh without having to immediately transfer them to the dryer. The Tumble Fresh Option activates after the wash cycle is finished and tumbles clean clothes periodically for up to 12 hours to help prevent wrinkles from setting in.
- Steam Clean Option: Get help removing everyday stains with the Steam Clean Option, which gets deep into fabrics with increased wash action and heat.
- Direct Drive Motor: With fewer moving parts and less wear and tear on the machine, the direct drive motor can handle your larger/largest loads with greater efficiency
- Sanitize Cycle: The Sanitize cycle uses increased water temperature to eliminate 99.9% of common household bacteria.
- Sanitize Cycle: The Sanitize Cycle uses increased water temperature to eliminate 99.9% of common household bacteria.*
- Presoak Option: The Presoak Option lets you skip soaking outside of the washer. Extra time is added in the washer before the wash cycle, which starts automatically when the option is complete.
- Vibration Control Technology: Advanced technology helps reduce vibration and helps prevent loads from becoming unbalanced for a quiet, smooth wash cycle.
- Smooth Wave Stainless Steel Wash Basket: Give clothes the care they need with the sleek pattern of the stainless steel wash basket that gently guides them.
- Single Load Dispenser: Add detergent, bleach and fabric softener to their designated compartments so each gets dispensed at just the

7.4 Cu. Ft. Gas Wrinkle Shield Dryer

Help keep wrinkles from setting with continued tumbling in this 7.4 cu. ft. gas dryer with Wrinkle Shield. Save on utility bills with this energy efficient dryer and create customized cycles with Intuitive Controls. With the Sanitize Cycle, this large capacity dryer uses higher temperatures to sanitize items like towels while still providing great fabric care.

White
Dimensions
Width: 27 in
Height: 38.125 in
Depth: 31 in

Features:

- **Wrinkle Shield™ Option:** Help keep wrinkles from setting into clean, dry fabrics with the Wrinkle Shield™ Option. It keeps clothes tumbling for up to 150 minutes after the cycle ends or until you open the door.
- **7.4 Cu. Ft. Capacity:** Get plenty of room to dry the large loads you washed in the matching front load washer. This 7.4 cu. ft. dryer easily handles bulky items like comforters and sleeping bags.
- **Intuitive Controls:** Let the dryer guide you to the right cycle combinations or customize up to 36 of your own to get the right type of fabric care for whatever you're drying.
- **Sanitize Cycle:** "The Sanitize Cycle provides care for your clothes in the dryer while eliminating 99.9% of common household bacteria.*"
- **Advanced Moisture Sensing:** Three sensors offer added protection against overdrying by tracking both moisture and temperature to adapt drying times and end the cycle at just the right time.
- **EcoBoost™ Option:** "Use less energy* while getting great drying performance with the EcoBoost™ Option. This option saves energy by using less heat and an extended cycle time."
- **ENERGY STAR® Certified:** ENERGY STAR® Certified models exceed government standards to help save money on your utility bills.
- **Quad Baffles:** Four baffles tumble clothes in a randomized pattern, allowing items to open up freely. This helps increase the effectiveness of the dryer for small loads.
- **Closet-Depth Fit*:** "Get a space-saving design with Closet-Depth Fit* that allows for more flexible installation in your laundry space."
- **Laundry Pedestal Compatible:** Raise your dryer for easier loading and unloading. Optional Laundry Pedestals also provide space-saving storage for detergent, dryer sheets and other supplies.
- **An American company for over 100 years:** Whirlpool Corporation started in 1911 as a small company in Benton Harbor, Michigan. Today we are a global home appliance business selling products around the world. We are proud of our American heritage and ingenuity that have driven innovation for over 100 years.
- **Expanded Finishes:** Choose from traditional finishes like White and Chrome Shadow or elevate your laundry space with the rich, matte look of Black Shadow.

Washer & Dryer Stacking Kit

This Washer & Dryer Stacking Kit can be used in tight spaces to place the dryer on top of the washing machine, freeing up additional room in your laundry area. This accessory is designed to be used across several brands; check to see if your model number is compatible. This kit includes all the parts needed to safely support the washer and dryer as well as detailed installation instructions. Installing this kit will require basic hand tools and novice repair experience. You must unplug both the washer and the dryer or shut off the house circuit breaker for the appliances before installing. Helpful Tip: We also recommend using affresh® Washing Machine Cleaner (item W10501250) once a month to help reduce odor-causing residue that can build up in your washing machine's drain without proper care. *affresh® brand products are owned and distributed by Whirlpool Corporation.

Other

1.2 cu. ft. 24 in. Microwave Drawer with Concealed Controls

It's your kitchen, your design and your lifestyle. Sharp's Microwave Drawer™ Oven allows you to focus on the design elements you prefer by removing the microwave from sight-lines and enabling more design versatility than typical built-in, over-the-range or countertop microwaves. The Microwave Drawer™ offers flexible placement options below an island, peninsula, or standard cabinetry, and can also be installed adjacent to your wall oven. The Microwave Drawer™ allows you to showcase your design savvy and create a kitchen that flows with your lifestyle.

Features:

- Easy Touch Automatic Drawer System Smoothly Opens and Enables Hands-Free Close
- Convenient Kitchen Placement Allows for Easier Cooking, Saves Prep and Clean up Time
- Concealed Control Panel Opens to an Easy-to-Read and Operate 45° Angle
- Cooking Space Large Enough for a 4 qt Casserole Dish or a 20 oz Beverage
- Cooking Performance from One of the Most Trusted Brands in Microwaves

CONDITIONS OF SALES

INSTALLATION

Installation of an appliance will only be done if discussed with your salesperson prior to delivery. Installation consists of locating the appliance in place and connecting to existing facilities. Please note exception below: Installation to existing facilities does not include supplying/rerouting of wiring or plumbing, nor any carpentry work

Built-in appliances, gas appliances, ice makers, dishwashers, hoods, disposals, air conditioners and over the range microwaves are sold as not installed.

Clothes dryers and vented ranges do not include venting supplies: Installation does not include a venting system or modification of an existing venting system.

Johnson's Electric can refuse to connect to any existing facility if in the judgment of the delivery personnel, installation would be unsafe.

Johnson's Electric at time of delivery will remove one comparable appliance if:

1. Removal will be done only if unit can be reasonable removed by two people.
2. Johnson's Electric is not responsible for any appliance that is damaged or non-operative after moving.
3. Built-in Appliances must already be disconnected.
4. In the event extra labor for removal/installation is needed due to configuration of the residence, space, entrance or exit, there shall be an additional charge of \$75.00 an hour per extra man.

RETURN/EXCHANGE AFTER DELIVERY

- Merchandise presented for return/exchange must be in or accompanied by complete original packing and enclosures. Return/exchange will be refused on merchandise that, in our judgment, is not in new condition. In the event, that an appliance does not fit or the Buyer decides to exchange the appliance for any reason, the Buyer is responsible for the additional delivery charge and a restocking charge. Special order merchandise is non-returnable or exchangeable.
- In the event of a return/exchange of merchandise, there will be a restocking charge of 20% of the invoice which shall be paid prior to the return/exchange.
- Refunds, when approved, will be made by company check, credit card credit or store credit.
- All merchandise purchased from Johnson's Electric receives a full manufacturer's warranty. Johnson's Electric makes no express or implied warranty as to the merchantability or fitness for a purpose for any merchandise sold. In the event the merchandise malfunctions, the Buyer is directed to call the manufacturer as required by the warranty. Johnson's Electric shall not be responsible to make service calls and/ or repairs. If the merchandise can be repaired by the manufacturer, the Buyer is required to take the necessary steps to have the manufacturer repair the merchandise. If the manufacturer deems the merchandise must be replaced, the manufacturer will notify Johnson's Electric to make the arrangements for the replacement

It is clearly understood between the parties, Johnson's Electric and the Buyer, that title to the said merchandise has not, nor will pass to the Buyer until payment has been received by Johnson's Electric . It is the Buyer's responsibility to prepare and secure the property form possible damage that may result from the installation of an appliance, including but not limited to, moving furniture, covering carpets, covering hardwood floors, removing any obstacles, covering stairs, etc. prior to the Seller's arrival.

For in-home delivery orders, you can reschedule the order simply by calling Johnson's Electric. If you reschedule at least 48 hours before the scheduled delivery time, we will simply reschedule your order. If you reschedule your order less than 48 hours prior to the delivery date, we will reschedule the order but you are responsible for a \$100.00 rescheduling fee. You will receive an email confirming the rescheduling of your order. All phone orders are subject to all representation on the first page and the Condition of Sales set forth on the second page.
