Is the Property subject to any requirement under federal law to obtain and maintain flood insurance on the Property? Properties in the special flood hazard area, also known as high risk flood zones, on FEMA's flood insurance rate
			maps with mortgages from federally regulated or insured lenders are required to obtain and maintain flood insurance.
			Even when not required, FEMA encourages property owners in high risk, moderate risk, and low risk flood zones to purchase flood insurance that covers the structure and the personal property within the structure. Also note that
			properties in coastal and riverine areas may be subject to increased risk of flooding over time due to projected sea level rise and increased extreme storms caused by climate change which may not be reflected in current flood insurance rate maps.
